

This year it's all about the food.

The perfect time to catch up and celebrate with family, friends and colleagues so let's make sure that this Christmas really is the most wonderful time of the year.

The Angel Inn is an ideal setting to meet for hearty Christmas food, festive drinks, tradition, real log fire and homely bedrooms.

As we prepared our menus in August some dishes may change depending on suppliers and prices may also increase due to inflation on key ingredients.

This is what you can expect at the Angel this Christmas and New Year...
